## CURRENT EMPLOYER

### ***Ackerman McQueen / June 2011 - Present / Interactive Art Director***

I worked on a variety of clients and oversaw the entire conception and execution of AM.com (which won a gold Addy). I've created several logos as well as branding opportunities for the Chickasaw Nation and multiple NRA web properties. I also kept and maintained multiple networks and created hundreds of digital assets. I also created several designs that were later implemented in HTML formats.
